PROFILE

Richard Subchez is a substitute for a League of Legends team, and is a Super Smash Bros Ultimate player. Due to his career Subchez works late nights so has low availability. His preferred ruleset options in SSBU is 3 stock with a time limit of 6-8 minutes. Richard Subchez is only willing to travel up to 5km for matches.

GOALS

- See the roster for both teams/players in an upcoming match to gauge opponent's abilities
- View which upcoming matches his team is competing in that match his availability so that he can put himself down as substitute for those matches
- View upcoming SSBU matches that fit his availability and ruleset
- Filter upcoming matches by singles, doubles or teams
- Be notified if he has been substituted for a player on his team
- View if the match is in person or online
- View a map to the location if the match is in person
- Sort upcoming in person matches by location

FRUSTRATIONS

- Team members notifying their lack of availability at the last minute
- Toxic opponents e.g. taunting excessively or being generally rude to opponents/team mates
- Being put in for a match that doesn't match his availability
- Struggling to navigate websites due to lack of colourblind options
